

Consoles

Supernova

The Supernova oval console is essential and linear in its painted metal rod support, yet soft. And the top ranges between wood, wood essence or lacquer finishes, including special ones, or even stoneware.

METAL ROD CONSOLE

The Supernova single-top console features a black metal rod frame and the gentle shape of the oval top, both characteristics of the entire Supernova family, designed by Signorotto+Partners. The top can be made of wood or stoneware, coupled with a wood panel, lacquered matt black.

CONSOLE AND MIRROR COMBINATIONS

This Supernova entry console is paired here in continuity of form and materials with the Juno mirror and Supernova side tables, which are glimpsed in the entry to the living room.
