Settanta

Settanta can be a desk or a vanity unit, whichever you prefer. Everything depends on the details. Its design with its rounded lines and refined flavour is expressed by the refined workmanship and choice of materials, in various finishes: wood, stoneware and eco-leather.

WOOD AND ECO-LEATHER DESK

Settanta is a writing desk with a wooden frame and top, equipped with a large drawer that opens with a bottom grip. Every detail is taken care of, with workmanship that recounts the craftsmanship know-how cultivated by Dall'Agnese since its beginnings. The top can also be chosen in stoneware, in various finishes, and completed or not by a shell covered in eco-leather. The latter embraces the cabinet and makes it so finished that it is perfect even when placed in the centre of a room.
