

Sofas

Swing

Modern, linear and comfortable modular sofa system. The rigorous shape of the shell is softened by the goose down mats used as seat and backrest and those resting on the armrests.

SWING: SOFA WITH GOOSE-DOWN CUSHIONS

The large goose down cushions, almost like mattresses lying on the important base and supported by polished cast metal feet, give Swing a refined and elegant appearance. They are properly quilted, to maintain shape, and then rested on the shell, which is constructed of solid fir and plywood structural parts, and then upholstered.

SWING: SECTIONAL SOFA

The extensive modularity of the Swing sofa system consists of a two-seater, two-and-a-half-seater or three-seater sofa, side modules with the same division, corner element, island or sundial, matching square ottoman and decorative cushions.

FINISHES

Discover now the finishes available to furnish your home with the Swing sofa in fabric, leather or faux leather.
