

Armchairs

Supernova

The elegant Supernova armchair expresses a simple and pure design, perfect for furnishing environments with a contemporary and rigorous style. The upholstered part, to be covered at will in all the fabrics, leathers and eco-leathers selected by Dallagnese, is supported by the metal rod frame that characterises the entire Supernova family.

ARMCHAIR WITH METAL LEGS

The Supernova armchair is characterised by metal rod legs with a rounded head, with a minimal and refined style. They rise rigorously to the sides where they accommodate a soft seat.
